

# ARTWORK REQUIREMENTS

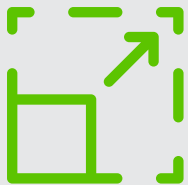

**VECTOR**  
OR  
**TRANSPARENT PNG**  
300DPI RESOLUTION

AI, PDF, EPS  
OR PNG

Square JPG photos are acceptable - any other shapes (circles etc) need to be transparent PNG

**SCALE ARTWORK TO DESIRED PRINT SIZE**

If your transfer is a 100mm x 100mm chest logo, provide your art at the correct size (100x100) to avoid any variation on the finished transfer.

1pt

**MINIMUM PRINT SIZE**

**1PT**  
[0.3MM]

Any part of the art less than this will need to be modified.

**REMOVE ANY BACKGROUNDS**

on the artwork files that you **do not want printed**.

We will print everything in the supplied art file.

All **text/fonts** must be **OUTLINED**

Any vector fonts that are not outlined may change when processed through our production system.

**TRANSPARENCY AND SHADOWS**

Because we put a solid white layer behind the transfers, transparency and shadows or glows aren't suitable.

**CONVERT ALL PANTONE & RGB COLOURS TO**

**CMYK**

**EMBED LINKED ASSETS**

With the link selected in the "Links" panel, select "Embed Link/Embed Image" in the panel options
