

FLEX LUMINOUS

Looking for something to really set your design apart from the rest? Wait for the sun to go down and FLEX Luminous comes to life.

Reminiscent of those glow in the dark stars and planets you had stuck to your bedroom ceiling as a kid, Luminous adds a touch of imagination and nostalgia to your transfer designs.

RECOMMENDED FABRICS

- Cotton
- Polyester
- Cotton/Polyester Blends

Please note: Always check fabric makeup and test press when possible.
