

# STAHL'S' GLITTER FLAKE™

Glitter Flake™ is best known as textured glitter heat transfer vinyl used to produce vibrant designs. This unique, bling material is perfect for creating stand-out looks for fan and spirit wear, cheer uniforms, fashion garments, and more.

## RECOMMENDED FABRICS

- Cotton
- Polyester
- Cotton/Polyester Blends

Please note: Always check fabric makeup and test press when possible.

When Light Pink Glitter Flake is applied to dark colored fabrics, the light pink color becomes iridescent.

## TECHNICAL INFORMATION

**Thickness:** 325 Microns
