

# STAHL'S' PREMIUM PRINT

This semi-matte print vinyl is a great solution for your everyday printing needs. Perfect for cotton/polyester applications, the static back allows for ultra fast weeding of simple designs. This vinyl is thin, easy to use and fairly fast drying.

Rated for eco/mild solvent printers, Stahls Premium Print is a perfect all rounder print vinyl. Living up to it's name as a 'premium' vinyl, this product has great colour fastness and washability - up to 50+ washes.
